

# IMPACT SUMMER INTERNSHIPS

**VBS (Elementary School):** As a VBS intern, you will have the opportunity daily to minister to children, their families, our high school youth who intern with you, and visiting youth groups. You will also work alongside many other college interns. Impact's VBS summer internship is different than most church VBS programs. We serve 400 children from K-5th grade all summer long! We have six weeks of VBS with the same children every week. VBS is packed with field trips, van and bus routes, reading classes, Bible classes, songs, skits, lots of hugs, and tons of laughter! It is our mission to write the words of God on the hearts of our little children and to raise them up to know, love, and walk with God! **Dates: June 7-July 27.** For more information contact Lluvia Delgado ([lluviaef2009@gmail.com](mailto:lluviaef2009@gmail.com)) or Caroline Morales ([carolinermorales@gmail.com](mailto:carolinermorales@gmail.com)) or call the church office at 713-864-5667.

**MIDDLE SCHOOL:** As a Middle School intern, you will minister to and build relationships with our middle school youth daily. You will be responsible for a route, a small group, organizing Bible studies, and service projects. Our ultimate goal for the summer to teach our middle school youth and their families to know, love, and walk with God! **Dates: May 17 - July 30.** For more information contact Jeremy Varner

([jeremyvarner@gmail.com](mailto:jeremyvarner@gmail.com) or 713-960-3816)

**HIGH SCHOOL:** As a High School Intern, you will be a part of planning and implementing a Mission Trip, Wilderness Trek, camp, daily Bible studies, service projects, and other fun activities – all of which will involve the building of relationships with our youth and sharing the love of God with them. You will be responsible for a route, leading Bible studies, and teaching our youth how to know, love, and walk with God. **Dates: May 17- August 6.** For more information contact Josef Bilnoski, High School Minister, ([jbilnoski@impacthouston.net](mailto:jbilnoski@impacthouston.net)) or call the church office at 713-864-5667.

# FREQUENTLY ASKED QUESTIONS

**Does Impact Provide Housing?** Yes! Interns stay with families in the Houston Area. Many host families will house more than one intern.

**Do I need a car?** Not necessarily. We recommend that you bring a car for your own convenience, but it is not required. If you can't bring a car, we will pair you with another intern who is able to bring a car.

**Will I be paid?** All of our funding given for the summer goes toward our children, so our interns must raise their own funds for the summer

**How much do I need to fundraise?** The funds interns raise go straight to them and are simply what an intern needs to live off of: Food, gas for your own vehicle, entertainment, and any extra you might earn from a "normal" summer job. Don't let this scare you!! Fund raising is not as hard as it first seems. We would be happy to help you get started.

**My family already has a family vacation planned for a week in the summer, can I still intern?** Open communication with your supervisor is the key! We definitely want all our interns to be here for the entire summer if possible. But as long as we know up front, it shouldn't be a problem.

**How long is the internship?** The length varies based on the program you intern with.

- VBS – June 7-July 27, 2016 (8 weeks)
- Middle School – May 17-July 30 (10 weeks)
- High School – May 17- August 6 (11 weeks)
